

Family Medicine Physician

Garden Pediatrics is a private practice located in beautiful Redlands, California. A full-time salaried family medicine position is available to join our existing board certified physicians and nurse practitioners as we expand to offer adult services also. With an electronic and up-to-date management system, involvement within the community, and outstanding patient care, Garden Pediatrics is a place where staff love working and patients look forward to visiting.

Highlights to this job opportunity include:

- Shared call schedule
- Newborn care at one nursery
- C-section deliveries not required
- Aesthetically pleasing, technologically up-to-date office
- Pediatric specific EMR (Office Practicum)
- Flexible work schedule
- Full time consists of 4 patient care days
- Competitive salary
- Full time scribe
- Bonuses based on personal and practice productivity
- Medical, dental, vision, disability benefits. Retirement plans available
- Paid vacation and sick days
- \$1000/year towards CME
- Happy, strong, hard-working collaborative team
- Relocation assistance possible
